| | | Custom | \$4 ⁵⁰ per hole | | | | | | | |

- Freight is included in price.
- Production lead time: 10-15 working days depending on volume and product for production ready products.
- A one square foot minimum charge applies to each piece.
- Standard grain direction will be the same for both doors and drawer fronts. Specify horizontal or vertical grain. If nothing is specified, the default is vertical.
- Components manufactured by Northern Contours are warranted against defects occurring in the manufacturing process and delamination or surface discoloration for 5 years from the date of purchase.

Pricing as of 04/01/15 · All prices subject to change without notice

SAMPLE BOARDS
Measure: 4" x 6"

Take home a sample board to compare colors with the rest of your project at a small cost.

* While Northern Contours manufacturing capabilities allow them to go to 47" x 95", product over 31" wide or 60" long will not be covered by their warranty. It's highly recommended using multiple doors instead. If you do order unwarranted product over 31" or 60", they recommend using additional hinges to help control any warping that may occur. Oversize fees may apply.
