

MEGANITE[®]

Acrylic Solid Surface

COMMERCIAL

R
Richelieu

Corporate offices, government facilities, multifamily, mixed-use, hospitality and retail environments. All of the places where we live, work and play need to balance high performance with beautiful design. These environments require material selections that meet strict regulations and high industry standards.

MEGANITE meets the challenges of today's commercial environments by offering a sanitary, durable, renewable and affordable product solution that stands the test of time.

MEGANITE. A Solid Partner.

Why MEGANITE® for your commercial environment?

There are many reasons to choose Meganite beyond our high quality and affordable price.

What are the best applications for MEGANITE?

Meganite is an ideal surface solution for corporate offices, theaters, banks, museums, performance centers, residential buildings and other commercial spaces.

Consider these benefits:

- GREENGUARD and GREENGUARD Gold Certification for Indoor Air Quality
